CHAIRMAN'S MESSAGE

Welcome to MeetArts Virtual Art Gallery, a sanctuary where creativity knows no bounds and imagination takes flight. It is my utmost pleasure to invite you into this digital realm where the brushstrokes of artists from diverse backgrounds converge, creating stories yet to be told.

Our virtual gallery is not just a collection of artworks; it's a celebration of innovation and inclusivity. It is a platform where emerging talents find their voice and established artists push the boundaries of their craft. It is a meeting ground for art enthusiasts, collectors, and creators alike, fostering dialogue and forging connections across borders and cultures. We are passionate about nurturing the next generation of artists, providing them with the platform and support they need to bring their visions to life.

MeetArts is honoured to collaborate with Yellow Ribbon, Singapore Prison Service, Kampung Senang, Canvas Art, Playnting as well as our participating artists in this virtual installation. Behind every brushstroke, every sculpture, every creation lies a story of determination, passion, and relentless pursuit of artistic expression.

Whether you are a seasoned connoisseur or a curious novice, I invite you to immerse yourself fully in the beauty and wonder of the art that surrounds you. To buy any of these original artworks, click on the painting and it will navigate you to our ecommerce page. By purchasing art from our gallery, you not only acquire a unique masterpiece to adorn your space but also become a patron of emerging talent. Your support serves as a catalyst for these artists to continue their journey, to hone their skills, and to share their stories with the world. Together, we can empower these creatives to turn their dreams into reality. Your contribution is not just an investment in art; it's an investment in the future of creativity.

We look forward to your support as we realize our vision to transform the visual arts ecosystem for a better society. Let's continue to push the boundaries of what's possible in the realm of virtual artistry and creativity.

With gratefulness,

Irene

COMMUNITY COMMUNITY CO

SUPPORT SUPPORT

COMMUNITY SUPPORT

At the heart of MeetArts' mission is a steadfast commitment to community support and social service. We believe in the power of giving back and making a positive impact on the lives of those around us. Through various collaborations and initiatives, we actively engage with local communities to support their beneficiaries, shining light on their artistic journey.

Some of our partner organizations include Yellow Ribbon Visual Arts Hub (VAH) and Kampung Senang. We feature their artworks on our platform to increase outreach, without additional commission or listing costs.

In doing so, we strive to create meaningful change and uplift those in need. Our dedication to community support is not just a corporate responsibility, but a core value that drives us to build a better, more inclusive art scene.

YELLOW RIBBON VISUAL ARTS HUB

In line with the Singapore Prison Service's mission to rehabilitate offenders for a safer Singapore, the Visual Arts Hub (VAH) was set up in Changi Prison Complex in 2009. VAH aims to give every inmate artist a blank canvas to re-paint his life, nurture his artistic potential, encourage creative insights and facilitate a positive change in mindset. Through the visual arts programme offered at VAH, inmate artists have the opportunity to unlock their potential and contribute to the community in meaningful ways.

Yellow Ribbon Singapore is a statutory board under the Ministry of Home Affairs which helps inmates and ex-offenders rebuild their lives and lower the recidivism rate through career and skills development, with an effective aftercare support network. Through championing second chances and rehabilitating ex-offenders, Yellow Ribbon Singapore hopes to achieve a safer and more inclusive Singapore where inmates and ex-offenders are adequately supported in their rehabilitation and reintegration journey.

KAMPUNG SENANG

Established in February 1999, Kampung Senang Charity and Education Foundation (Kampung Senang) is an eco-conscious charity with Institution of a Public Character (IPC) status reaching out to serve all people regardless of cultural or religious background through compassion-filled charity programs and education on holistic environmentally friendly lifestyles. Kampung Senang represents the Global Village of Inner Peace, a place where harmony, beauty, and unity prevail.
